6 Month Same-As-Cash Loan Program

How does it work?

DST Electric has partnered with Lyon Financial & EnerBankUSA to offer our customers a 6 Month Same-As-Cash Loan Program. Interested customers may contact Lyon Financial & EnerBankUSA to pre-qualify for the loan.

Here's How....

- ◆ Call 1-866-405-7600
- ◆ Provide them our Contractor ID Code: 6317
- ◆ Generator Package to be installed
- ◆ Total Project Cost
- ◆ SAC Promotional Code: 821166

What is eligible equipment?

Any Portable Generator, Generator Hut and Automatic Generator Package from DST Electric priced between \$1,000 - \$25,000 is eligible for this loan program. Individual eligibility is determined by Lyon Financial & EnerBankUSA. If you do not meet the eligibility requirements for the 6 Month Same-As-Cash Program, you may be offered other loan/financing options.

How long is the approval process? How long is it valid?

Credit approvals require no initial paperwork and can be done over the phone in as little as 10 minutes. Credit commitment is valid for 120 days from the loan approval date. However it's important to note that DST Electric's proposal/quotes are firm for 30 days. We require a \$500 deposit on all Portable Generator and Generator Hut Packages, and a \$ 800 deposit on Automatic Standby Generator Systems. The balance of the cost will be eligible for ZERO % for 6 months.

Once I'm approved, what happens?

Once you're approved, you notify us of your decision to use the 6-month SAC Loan. We then forward the necessary paperwork to Lyon Financial & EnerBankUSA. The bank will mail you a Payment Authorization Form, which you sign and give to us as payment once the job is completed to your satisfaction.
